

**An evening under the stars with
Isle of Man Astronomical Society members,
their telescopes and binoculars**

**Saturday, 24 February 2018
7.00pm to 9.00pm**

***Isle of Man Astronomical Society
public events are always FREE to observe
through any of the instruments***

With the kind permission of Bradda Glen Restaurant & Tea Rooms, a chance to telescopically view night sky objects and to observe the Moon up close in razor sharp detail that no photograph can ever hope to reproduce.

Do pop in to the Restaurant for refreshments, whatever the weather, for your patronage may well secure future FREE events here. Chat with our friendly astronomers, and see our display boards.
